

TOPBOWLERS

MARCH 13, 2010 – MAY 1, 2009

9 – 11AM AT THE BRUNSWICK ZONE IN FEASTERVILLE

STREET ROAD JUST EAST OF BUSTLETON AVENUE

PLEASE READ THE FOLLOWING CAREFULLY:

- Σ The cost of the program is \$5 per bowler per week
- Σ The bowling alley does not open until just before 9am. There is no need to be there before 8:55am. Please do not knock on the doors if they are locked
- Σ When you get inside, go to the desk and get shoes for your player(s), then come see me and I will give you your lane assignment
- Σ It is assumed that everyone is using the gutter guards. If your player does not need them, let us know.
- Σ Each player plays two games. Please make sure to record the scores on the sheets that will be provided
- Σ Players must obey the rules of the lanes. No one is allowed in the gutters to walk on the lanes past the shooting line. PARENTS are responsible for their children. Please make sure they do their best. The Brunswick zone is very patient with us and we need to make sure they know we are working with them.
- Σ Please let us know in advance who you would like to bowl with and we will try our best to accommodate you. Email us your preference by March 10th, so we can prepare a lane assignment sheet.
- Σ Our rule is that siblings are welcome to come and play too. We will continue that rule unless we get too crowded. We have room for over 100 bowlers
